Webmaster:
Your site continues to have libelous statements about Robert Wadman. Lawsuits have been filed against John DeCamp, and others for the libelous statements made about Robert Wadman. Your web site contains further libelous statements about Robert Wadman. If you do not immediately remove them, a lawsuit will be filed against you - personally and against the Johnny Gosch Foundation.
I have hired an internet tracking firm and I'm represented by an attorney. I don't want to file a lawsuit against someone who is mistaken or naive about the libelous statements. Copies of the webpages from your web-stie have been collected. This e-mail is a clear warning. If you do not remove the material about Robert Wadman from your web-site, a lawsuit will be filed. This warning has been copied and will be part of the lawsuit filing. If you have any questions, please call me. My phone number is (801) 626-6149.
